APPLICATION FOR EXCAVATION, GROUND PREPARATION AND SOIL INVESTIGATION PERMIT

Application No. _____

Permit No. : _____
Date Issued : _____

Permit is hereby granted to _____ for the excavation/ground
(Owner / Applicant)
preparation/soil investigation of his/her site located at _____
for the construction of his/her proposed _____building/structure
(Use or Type of Occupancy)
for which a Building Permit has been applied for in this Office, subject to the following conditions:

1. This permit does not guarantee the subsequent granting of any principal building permit under process and that the owner / applicant undertakes the work or project at His / Her own risk.
2. This permit and the logbook shall be kept at the jobsite at all times for the duration of the project.
3. All public facilities and utilities such as streets, sidewalks, curbs, gutters, electric posts, power and communication lines, navigational equipment, water, sewer, and drainage lines and the like shall be properly protected against any damage and obstruction. Any facility and/or utility directly or indirectly damaged shall be properly repaired and restored to its original condition by the Owner/Applicant subject to the approval of the building official and the proper authorities concerned.
4. The Owner / Applicant and contractor shall be jointly responsible for the safety, protection, security and convenience of the general public and His/Her personnel, third parties, the works, equipment, installation and the like. The applicant shall render the BEZA free and harmless from any claims for injuries or damage to others or to their properties that may result from the prosecution of the works.
5. All wastes or discarded materials from the project shall be properly stored and disposed of. Water wastes shall be discharged directly into sanitary sewer line. Pertinent provisions of the NATIONAL BUILDING CODE (P. D. 1096) shall be complied with.
6. This permit may be considered or revoked pursuant to section 305 and 306 of the NATIONAL BUILDING CODE (P. D. 1096).
