DEFINITIONS

TYPE OF MOUNTING

Ground Sign	-	A sign resting on the ground.
Projecting Sign	-	A sign fastened to, suspended from or supported on a building or structure. The display surface of which is perpendicular against the wall surface or is at an angle therefrom.
Roof Sign	-	A sign installed on roofs, roof decks or eaves.
Wall Sign	-	A sign painted on, attached or fastened to the surface of the wall, or any part of a building or structure. The display surface of which is parallel to the wall surface.

PURPOSE

Advertising Sign	-	A sign that directs attention to a business, profession, commodity, service or entertainment conducted, sold or offered at a place other than where the business, profession, etc. is located. An off-premise sign.
Business Sign	-	An accessory sign that directs attention to a profession, business, commodity, service, or entertainment conducted, sold or offered in the same place where the business is located. An identification or on-premise sign.
Directional Sign	-	An off-premise sign used to direct the public of the location of business establishment.

TERM/DURATION

Permanent Sign	-	Framed or unframed sign installed more than 30 days.
Temporary Sign	-	A sign made of cloth or other light and/or combustible material, with or without frame installed for a limited period of time.

KIND

Electrical Sign	-	Any sign which has characters, letters, figures, designs, faces, background or outline illuminated by incandescent or fluorescent lamps or luminous tubes as part of the sign proper.
Neon Sign	-	A sign with neon components.
Plain Sign	-	A sign without any electrical and neon components.
